PLEASE NOTE

As per the ISAF or Yachting New Zealand "Racing Rules of Sailing" rule A9

Turangi - *dns*, *dnf*, *dsq* scored as 8 points (last place at Turangi regatta plus 1 point)

Taupo - *dns*, *dnf*, *dsq* scored as 15 points (last place at Taupo regatta plus 1 point)

- *dnc* scored as 15 points (last place in whole series plus 1 point)

Remember you have to be in the starting area at the time of the start to score a *dns*. On the beach is *dnc*

Therefore these results are possibly not 100% correct, but the best I could do with the info I was given
